

Proven Success:

For over 35 years, Vista Grande Villa has built an unequalled reputation in the Jackson area by providing an active, fulfilling retirement lifestyle. Life is better at Vista Grande Villa because we deliver outstanding personal service, engaging activities, delicious cuisine and professional care – which defines our lifecare* community.

Beyond the dedication and loyalty of our caring staff, our success is the result of our residents who take pride in shaping the community they share. As a not-for-profit organization, Vista Grande Villa is overseen by a Board of Directors comprised of local professionals and civic leaders who volunteer their time to enhance resident satisfaction.

Lifestyle Options, Apartment Homes and Carriage Homes:

Vista Grande Villa keeps up with residents ever-changing needs by offering a full range of lifestyle choices. Our clients can relax knowing that everything they need is available right here. Designed for independent living, we have several different styles of apartment homes ranging from the charming One Bedroom Petite to a custom combination Two Bedroom Deluxe. Our Carriage Homes are spacious, single level homes with an attached garage, a full walk-out or garden basement, main floor laundry, charming wooden deck and patio area.

Both Apartment Home and Carriage Home clients receive their choice of one meal per day in the Magnolia Room or Rose Room dining rooms. In addition, our monthly fees also include: housekeeping; flat laundry; internet access through our computer lab; all utilities (except telephone); property taxes; digital cable television; interior and exterior maintenance services; 24 hour security; 24 hour emergency nursing care, transportation services and a full schedule of social, cultural and recreational activities.

Freedom of Choice:

Because we provide freedom from housekeeping, maintenance, yard work and other chores, our clients can be as active and involved as they choose to be. Whether you choose to surf the internet in our fully equipped computer lab or attend a vigorous strength training class, there is an array of opportunities at Vista Grande Villa for fitness, socializing, volunteerism (if you so choose) and hobbies.

If you develop a health issue after becoming a resident, you have the advantage of already knowing where you will receive care – our on-site Health Center – and being familiar with the friendly professional staff who will care for you. Because you've made these decisions for yourself in advance, you not only remain in control of your future, you avoid exorbitant costs and the worry of burdening loved ones with decisions about your care in the event of a crisis.
