HEALTH & REHAB

*Road to Recovery* \_\_\_\_\_

# NEXT STOP

---

## WHEN YOU'D LIKE MORE TIME ON THE ROAD TO RECOVERY, YOUR NEXT STOP IS RIGHT HERE.

Once you've been released from inpatient rehab care at Vista Grande Villa, there's no need to rush home. Whether you just want a little extra rest and relaxation or you prefer to remain nearby for outpatient rehab care—you can extend your stay with us. It's the perfect way to ensure a continuity of care with the same equipment, physical therapist, and recovery plan.

### Ease Your Transition to Home in One of Our Apartments

You'll stay in a beautifully furnished Independent Living apartment home with a full kitchen and bath, with scheduled housekeeping and linen services provided for you. All utilities and basic cable TV are provided, too. It's the perfect opportunity to experience a little more of our great hospitality.

### Take Advantage of Amenities Throughout Our Beautiful Campus

- Enjoy access to our three dining options and a generous meal allowance.
- Check out our library, game room, hobby room, and billiards lounge.
- Make an appointment for a trim or new style at our beauty salon/barber shop.
- Take in a few group classes like gentle movements, seated tai chi, and meditation.
- Visit the grocery store and bank with our regularly scheduled transportation.
- Stock up on convenience items or pick up a quick gift in our Corner Store.
- Take part in our calendar of special events, organized social activities, and outings.
- Take care of a little personal business in the Resident Computer and Learning Center, which includes computers and unlimited internet access.
- Rest easy with 24-hour security, plus emergency pulls and pendants.
